Students must maintain academic eligibility (70 or above in all classes) to participate in underlined events.

All dates are subject to change. These changes will only occur when it is beyond the control of the directors. We will do everything we can to utilize the above dates for these events. In the case of a change, advance notice will be given to students in class, as well as with students and parents via Remind, the website, and/or our Weekly Newsletter.

Additional events may be added throughout the school year with as much advance notice as possible.
