Membership in the Klein Choir Department offers many valuable and personal learning experiences. Therefore, it requires that each student accept a large amount of responsibility starting with our handbook and calendar.

The KHS Choir Handbook is online at kleinhighchoir.com and available to read at any time. It contains important information about student expectations and responsibilities, grading, eligibility, uniforms, and other important information. Parents and students, please read the entire handbook and then sign below.

The KHS Choir Calendar is online at kleinhighchoir.com and available to access at any time. The calendar for the entire year is set in August and may be updated throughout the year as needed. Any dates added (or edited) to the calendar after August will be announced in class, and through online communication such as Remind and Newsletters. Students and parents are responsible for accessing this calendar regularly and using it to work out conflicts with other activities and personal schedules, notifying directors as early as possible regarding any conflicts that cannot be resolved easily.
