

BE A PART OF KLEIN CHOIR!

Choir Students DO IT ALL

A COMMUNITY YOU'LL LOVE

Klein Choir is THE place to grow, learn, and have fun singing beautiful music with your friends. Students will develop upper level musical skills like healthy singing, sight-singing, teamwork, and confidence all while being part of a supportive community. Whether you've sung for years or are brand new, we will take you to the next level!

Klein Choir will quickly become a home on campus. Students build strong friendships through everyday teamwork and through social events like movie nights, bowling, karaoke, and casual hangouts.

Choir is committed to accommodating all schedules and activities. Most of our students participate in AP/Pre-AP academics, National Honor Society, JV and Varsity Sports, HOSA, ROTC, and other Fine Arts such as band, orchestra, theatre, art, and dance. Being in Choir teaches time management and teamwork, helping students succeed in ALL aspects of high school.

KLEIN CHOIR STUDENTS ARE:

- Athletes
- Fine Arts students

- Students from EVERY Klein ISD pathway

EVERYONE HAS A PLACE AT KLEIN CHOIR!

TRADITION OF EXCELLENCE

We are proud of our long tradition of excellence at Klein High! Our choirs compete at events like the San Antonio Madrigal Festival, Celebration of Excellence, and Kemah Choir Days, consistently earning superior ratings and performances of distinction. Performances at UIL Concert & Sight-reading are consistently superior.

Students also LETTER in choir through opportunities like Solo & Ensemble, the Texas All-State Process, and being a choir member throughout high school.

TRIPS, TOURS & PERFORMANCES!

Our choirs get exciting opportunities to travel and perform. We've taken trips to Austin, San Antonio, Dallas, New York, and Orlando! We tour elementary schools, and share music throughout the community. We've also been invited to perform with the University of Houston, the Texas Master Chorale, and at the St. Paul's Invitational, giving students memorable, high-level musical experiences.
