

KLEIN ISD PRIVATE MUSIC VOICE LESSON PROGRAM · 2021-2022 SCHOOL YEAR

The Klein ISD is pleased to provide qualified teachers so that **interested and serious students** may seek to improve their performance by enrolling for private lessons conducted after normal school hours in our music facilities. Students are under no obligation to take lessons and special consideration in choir placement will not be given to a student who takes private lessons.

Student / Parent Responsibility:

- **Private students are committed to study for the ENTIRE SCHOOL YEAR** to which they enroll.
- **Each month's lessons are to be paid for in advance, on or by the first lesson of each month.** The Klein Independent School District has established the rate of up to \$25.00 per half-hour lesson depending upon teacher education. If an account becomes in arrears, the lessons will be suspended until the account is current.
- **If a lesson is to be missed, the student is responsible for notifying the private teacher directly (not the choral directors) 24 HOURS IN ADVANCE. There will be no refunds if a student misses a lesson without giving the teacher timely notification.** It is the student's responsibility to reschedule any make-up lessons within a month of the canceled lesson or forfeit payment for that lesson. In this instance, it will be left to the discretion of the voice teacher as to whether or not a make-up will be provided. The private lesson teacher is by no means required or expected to give a make-up lesson for unexcused absences.

Qualified private voice teachers are difficult to secure for such programs. While every attempt will be made to obtain a teacher for your student, it will not always be possible to do so. In the event that your student is not scheduled at this time, he/she will be placed on a waiting list. **We will assign students on a first-come, first-serve basis.**
