www.kleinhighchoir.com

The Klein High School Choral Department enjoys a rich tradition of excellence, pride and high musical standards. As part of this strong choral organization you can be proud of who you are and what you do. We look forward to working together during the 2022-2023 school year to maintain the excellence that we have come to know as tradition. This investment of time, effort and energy will create a harvest of life-long benefits that will extend well beyond the vast boundaries of music.

Participation in the KHS Choir program provides students the opportunity to improve individual vocal technique, music theory and sight-reading skills. Students learn challenging choral literature in a variety of musical styles, and are able to compete at choral contests and festivals both in and out of KISD. Through individual and group opportunities, students will learn to uphold Klein's Five Core Values: ***Empathy, Gratitude, Integrity, Perseverance, and Service.***

This handbook is designed to introduce you to the choral tradition at Klein High School and to provide you with information regarding course selection, grading procedures, eligibility, private lessons, uniforms, fees, and a calendar of activities and concerts. As the year progresses, any additions or changes will be provided to you in a timely manner via email or on the Klein Choir website (www.kleinhighchoir.com).

We are excited about the opportunities that await us in the 2022-2023 school year. Parents, thank you for supporting your child's interest in music at Klein High School. Students, it is a privilege to have you as a valued part of our choir family.

Bolded events are required for every member of KHS Choir.

Students must maintain academic eligibility (70 or above in all classes) to participate in underlined events.

All dates are subject to change. These changes will only occur when it is beyond the control of the directors. We will do everything we can to utilize the above dates for these events. In the case of a change, advance notice will be given to students in class, as well as with students and parents via Remind, the website, and/or our Weekly Newsletter.

Additional events may be added throughout the school year with as much advance notice as possible.

CLASSROOM RULES & PROCEDURES

The following expectations have been established to ensure a positive and successful learning environment for all choir students.

1. Students will be in their assigned seat, with all their materials needed for class by the time the Tardy bell rings.
2. No food, drink, or gum is allowed in rehearsal (except water in a closed container).
3. Students are expected to participate in all activities during the class period (immediately upon instruction), to the best of their ability, and refrain from disrupting the learning of others.
4. Students will show respect for their teacher and their fellow choir members by refraining from talking and distracting other students during the rehearsal.
5. Students will be dismissed by the director, not the bell.
6. Students will use the bathroom & get water only during passing periods.
7. Ask for permission to use a piano or other technology in the classroom (speakers, etc.)
8. Ask for permission to go to the choir office, practice rooms, storage closets, or other parts of the building.

REHEARSAL EXPECTATIONS

1. It is your responsibility to read and follow all of the classroom rules and instructions.
2. Cell phones, and any other electronic device, is put away during the rehearsal. If a cell phone or any other electronic device that is not needed for rehearsal is seen, your weekly participation grade will be docked in addition to following the KHS cell phone policy procedures.
3. If you are sick and cannot sing, you will still be expected to participate in the class by standing and joining the class when requested, writing instructions in music, lip-synching lyrics, performing the solfège hand signs, and otherwise participating in non-verbal activities. In short, when you are well enough to come to school but cannot sing for some reason, you are participating in class in every way except for actually making sound with your voice.
4. Always use good singing posture. Keep your feet shoulder width apart, knees slightly bent, rib cage open, head lifted, and face engaged.
5. It is the expectation that transitions between activities are done efficiently with minimal to no distractions like talking.

CHAMBER CHOIR - (6th Period)

This auditioned group is open to 10th-12th grade students who demonstrate distinguished vocal and musical skills. Students audition in May and must have concurrent membership in Chorale. Chamber members will perform at various events in the community. In addition to all KHS choir concerts, Chamber members are required to perform in the San Antonio Madrigal Festival, Chamber Cabaret, Holiday Run-Outs, and must participate in the All-Region Choir audition process.

GRADING POLICY

Your grade is determined by the following guidelines:

Minor Grades (40%)

1. **Daily Participation**

*Responsibility Points

- Leaving music/folder out after rehearsal results in a three-point penalty for the daily grade.
- Food or gum in the choir room results in a five-point penalty for the daily grade
- Failing to have all rehearsal materials by the time the starting bell rings results in a five-point penalty for the daily grade.
- Having a cell phone out without a director's permission results in a zero for the daily grade.

2. **Singing Tests**

3. **Daily Homework Grade** (Ear-training, listening journals, etc)

Major Grades (60%) – Concert Attendance & Performance

1. **Repertoire:** Is the music memorized and performed to a high standard?

2. **Concert Attendance:** Arriving late/leaving early from a performance results in a ten-point penalty off the Attendance Grade.

3. **Etiquette/Dress Code:** Is your behavior up to the standard of concert etiquette as discussed in rehearsal and the choir contract? Not following dress code for a performance results in a 10-point penalty off the Etiquette Grade for each infraction.

4. **Singing Tests**

The responsibility component of a student's grade encourages individuals to be mature and reliable contributors to the ensemble. Unlike other courses, being a member of a choir requires a student to trust his/her peers and students have direct control over the outcome.

Students are expected to check in at the beginning of the concert with their designated section leader by the designated call time. The section leader or Officer will complete a dress code check for each singer and report any problems to one of the directors. **Students must remain for the entire concert.**

CONCERT RESPONSIBILITIES AND ATTENDANCE

Because you are a member of a performing group, attendance is required for all mandatory performances both during and outside school time. A complete performance calendar is included in the handbook, and the directors will provide regular and advanced reminders. Both rehearsals and concerts are required choir activities that serve as daily and test grades each marking period. Their circumstances cannot be duplicated at another date or time. If a student chooses not to participate in or is tardy to a required choir activity, even if that activity occurs before/after school or on a weekend, the singer's grade will be penalized.

If a student is tardy or absent for the following reasons the tardy or absence may be considered excused ONLY if the student notifies the choir director in writing prior to (or immediately following in the case of any emergency) the required activity. Criteria the choir director uses in determining an excused absence is listed below.

- Is the tardy/absence a result of severe illness (fever, vomiting, etc.)?
- Is the tardy/absence a result of an unforeseen immediate family emergency (death in the family, sudden hospitalization, accidents, etc.)
- Other school activities (sports, tutoring, club, meeting) must be cleared with the choir director in advance.
- Other circumstances as determined by the choir director in advance.

Unexcused tardies or absences are determined by the choir director and include but are not limited to:

- Lack of a ride (ask a choir friend) or notify your Director in advance if you need help.
- Non-school related activities (sports, dance or music lessons, rehearsals, recitals, parties, dinners, etc)
- Homework/group project that could have been completed prior to or after the rehearsal.
- Job (clear your work schedule in advance by using the Choir calendar).
- Trips or family planned activities
- Other circumstance as determined by the choir director

If notification is not received, then a grade of "0" will be given for the activity. If an expected tardy/absence occurs due to an emergency, a note must be turned in immediately upon return to choir.

Any singer who misses a concert must complete the alternative assignment within a week of the concert date. A student with an excused absence & turns in a parent note may earn full credit. A student with an unexcused absence from a performance will not receive a grade higher than a 70.

MAKEUP ASSIGNMENTS

Students who miss a regular/daily rehearsal (whether excused or not) must do the following:

1. Check in with their section leader or someone in their sections about what selections or pieces were rehearsed
2. Update markings in their music that were made when they were absent

Students who miss a concert will be required to make up the grade. Students who miss a concert and do not complete a corresponding assignment will be in danger of failing choir for the term. The nature of the assignment is subject to change based on the director's discretion.

Make-up assignments are not meant to be punitive. They are intended to reflect the importance of the concert preparation and performances, as well as give the director a chance to assess the 6-9 weeks' worth of classroom preparation that occurs before a concert. The concert is a major grade, so the make-up work will reflect that.

Examples of a concert make-up assignment (may include, but not limited to):

- Performing missed music in class or outside of class (as a solo or with a small group)
- Watching and evaluating the concert missed
- Essay and/or project or presentation on a specific topic of director's choice

ACADEMIC ELIGIBILITY

Choir concerts are part of our curriculum. Therefore, eligibility does not play a factor in concerts or UIL Concert & Sight-Reading Contest. To participate in any other extracurricular activity (Mad Fest, elementary tours, TMEA auditions/performances, Spring Trip, etc.), you must be eligible. This means you must pass all non-waivable courses with a grade of 70% or better. Your academic status directly impacts your choir placement as well. Students in varsity level ensembles may be removed from their current ensemble due to consistent ineligibility. We will not place ineligible students in competitive or varsity ensembles regardless of your ability.

DISCIPLINE PROCEDURES

Whenever discipline issues occur, it is our priority to notify parents and administrators as necessary. Depending on the frequency and severity of the issue contact may be same-day, within the school week, or immediate with an office referral.

- 1st offense - verbal warning from director, points deducted
- 2nd offense - Parent email home, points deducted
- Continuous disruption - Removal from the rehearsal & alternative assignment, parent emails and a phone call, significant reduction in daily grade. Possible write -up to follow.

Offenses that warrant parent contact include (but are not limited to):

- General disrespectful speech or attitude to a director or another student.
- Refusal to participate or complete work or not following directions immediately
- General disruption/distracting behavior in class.
- Frequent/repeated tardiness to class, lacking supplies, using gum or food in class.
- Excessive or unreasonable usage of the bathroom/water fountain.
